

AT FIRST GLANCE,  
CLEANING PRODUCTS.  
ON CLOSER INSPECTION,  
**CLEANLINESS AND SAFETY.**

# “IF YOU ARE LOOKING FOR A PROFESSIONAL PARTNER FOR CLEANING PRODUCTS, WE ARE THE ONLY ONE YOU WILL EVER NEED!”

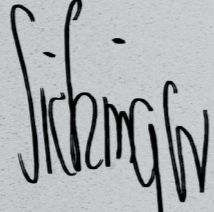

Erwin Vink, CEO

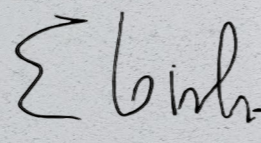

We are an owner-operated company, whose two owners have acquired decades of experience in the professional cleaning products sector.

The knowledge we have gained along the way, combined with our corporate philosophy that is based on sustainability, mean that our customers can rest assured they will always get the best quality for a very fair price.

It goes without saying that, as well as offering our customers the best products, we also have to provide them with outstanding service and competent advice. Our business model is based on many years of mutually beneficial collaboration – both with our suppliers and with our customers. This is what our reputation has been built on.

With this in mind, we are looking forward to working with you.

  
Manfred Sickinger

**“WE DON’T HAVE EVERYTHING –  
BUT WE HAVE EVERYTHING YOU NEED  
TO DO A GOOD JOB.”**

Manfred Sickinger, CEO

We intentionally do not want to sell you any products that do not meet our high standards in terms of both quality and functionality.

As such, everything that we supply to you is aimed at facilitating efficient and professional work that will help you gain a squeaky clean reputation among your customers.

Browse our range for yourself and let us know if there is anything you need or want that we don’t currently have in our portfolio.

We are always open to suggestions and would love to work with you to find a solution that you are happy with.

**YOUR CUSTOMERS  
EXPECT YOU TO SHINE.  
THAT'S WHERE WE  
COME IN.**

## “STRETCH” MICROFIBRE CLOTH

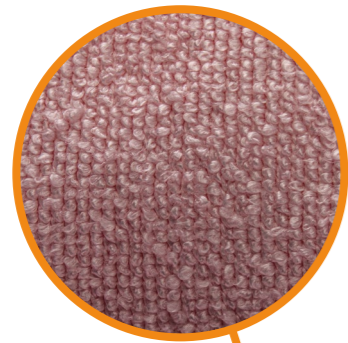

Material composition: 80 % polyester / 20 % polyamide

Weight: 300 g/m<sup>2</sup>

Washing instructions: 

Properties: Elastic, shiny loop fabric. Terrycloth-type structure, extra-strong cloth edging provides durability and ensures cloth keeps its shape.

Item no.	Item description	Size mm	Contents
03MT300S04	“Stretch” microfibre cloth 300 g/m <sup>2</sup> , blue 10 individually packed	400 x 400	200
